The term is racing by and we only have a couple more weeks left of Term One, which finishes Friday 12 th April. Please remember school is closed Friday, Monday and Tuesday for Easter.

On Tuesday we had four students represent us in the Country School Swimming team for the Interschool Swimming Competition. I would like to congratulate our students for their exemplary behaviour and fantastic Give it a Go attitude. It is a great experience to go head to head with other schools and everyone enjoyed the competition.

Today we had 2 teams participating in a girls only futsal tournament being held in Palmerston North. Thank you Nicole, Colin and Vanessa for taking them over and supervising them today. Although windy, they enjoyed the games and the skills they learnt. Often parent help is the only way we can get our kids to experiences like this, and it is appreciated.

Thank you for your donations to our Easter Raffle. It was drawn today under supervision. Winners are: Sharon Brown and Nicole Paton. Thank you to the School Support Group for running this fundraising venture to help support our tamariki. There is a lot of packaged food coming into the school for Morning Teas. This is meaning more rubbish being left at school. If possible, please send unpackaged food in lunch boxes.

Presently, we have a good amount of 2nd hand uniform available. If you would like to look at what we have, please contact the school. Please name all school uniform. Our next roll out of school jackets will be at the beginning of Term Two. We will endeavour to give all children a jacket, however, the smaller sizes are harder to get.

We are all here to do the best for the tamariki that attend out school. All our staff give their best to this school, and put in a lot of extra time to ensure our kids are looked after and learning. Good communication is vital to keep our kura humming, please remember we are all human and keep communication respectful. Positive feedback is always appreciated as well.

Ka Kite,
Angela McQuarrie
Principal

On a GREAT Learning Adventure

BOT Chair – Profile – Sara Smith ^{BOT}

My family and I moved to Te Uri about two years ago now from the Manawatu where both my Husband and I grew up on farms in the Pohangina Valley.

Fun fact, my parents own a farm on 'Norsewood Road' a straight line over the ranges from Norsewood!.

Three boys, a farm and two part time jobs keep me out of trouble, but busy people are happy people!.

I'm passionate about my children's education and school experiences and that of their peers. I love country schools where a smaller role get to experience more diverse opportunities than larger town schools.

Being new into the BOT role I am keen to learn and work with parents and the community to make our school the best possible for all our tamariki.

Sport Registration Reminders

Dannevirke Junior Hockey – Registration closes 31 March

Dannevirke Netball – Registration closes 11 April
