REAP and Sports Manawatu gave our tamariki an awesome afternoon last Friday. Our kids were engaged for the whole 3 hours and had lots to talk about afterwards. Thank you to the parents and community members who showed up. Your involvement in the afternoon was appreciated.

Yesterday, we had a team run in the Interschool Cross Country. While we are a small school, we always 'show up' and try our hardest. All our runners achieved fantastic results; especially Oliver Alderson and Indyanah Moore, who came 1st in their races.

On Monday, our school speech competition was held. There were three age groups: Yr 3/4, Yr 5/6 and Yr 7/8. All our speakers should be proud of themselves, as they all spoke clearly and were persuasive with their topics. Our two judges were from Toastmasters and were impressed with the topics and clear speech. They also gave some good advice for next time. Congratulations to Amelia Brown and Indyanah Moore, who will represent us in the Interschool Speech Competition.

As there are Whanau Meetings next week, teachers have been busy working with individual students so they can share your child's progress. This has meant quite a few relievers in the school, which has unsettled some children. Conversations with your tamariki around accepting and respecting relief teachers would help some of our students with these changes.

Whanau Meetings are a great chance to make sure we have your correct contact details, and help you join either Class Dojo or Skool Loop. We do need to have a reliable contact number in case of emergencies. If you do not yet have an appointment time, please contact the office. REAP will once again be here to talk about what they can offer, with a sausage sizzle while you wait.

It has been GREAT to see families coming into the school. This is your place as well, as we all support our tamariki together.
