Dear Parents and Caregivers

As you are aware the virus and it's containment is proving difficult.

As from tomorrow only the children whose parents are involved in essential services may attend school. On Wednesday at midnight all schools will be closed.

Norsewood school will:

- Have internet programmes that you can try. Our recommendations. N.B. Most have a 30 day trial, after that you may need to pay.
- Have tasks that your child can do at home, this will be set by your teacher.
- Keep in contact with families and their learning needs.

I, as principal will oversee these programmes.

If you are working in an essential service can you please contact the school to let us know your child/ren will be at school on Tuesday and Wednesday. I ask this so we can be best prepared for them.

Regards

Alec Thomson
