#### **Select from Tests**

- Test 2 = Test 2A, OR/& (short arena)

Please do not choose tests that are below your ability. If it is proven that you compete at a much higher level, you could be eliminated.

Callers may be used.

### **Show Jumping Classes - One height per Rider, two rounds- AM5 & Table C. Black board order.**

Choose from 70-75cm, 90cm and 1.05cm rounds. Please try to challenge yourself. THE FIRST FEW JUMPS WILL BE UNDER HEIGHT to make the jumps inviting for your horse/pony.

- There will be a AM5(instant jump off) and a Table C class:
- AM5 - (Instant Jump Off). This is a course of approximately 10 jumps and a jump off. The rider will complete the first course in the time allowed with no faults in order to proceed through to the second round. If the rider accumulates any time penalties or other faults they must stop once going through the finish flags. They are not required to continue on to the

speed section and must leave the ring. If the rider has gone clear they will hear a bell and have 45 seconds to begin the jump off which will be approximately 7 jumps.

The FASTEST jump off round time with the least penalties wins.

- Table C Faults under table C are penalised in seconds which are added to the time taken by the rider to complete the round.
  - Obstacles knocked down while jumping add 4seconds.
  - First disobedience no time added.
  - First disobedience with knock down & displacing of an obstacle = 6 seconds
  - Second disobedience NO time added.
  - Third disobedience is ELIMINATION.

Adding the time round plus four seconds for each obstacle knocked down gives the score.
