Dear Parents / Caregivers,

## Mr Kevin Clayton

During 2020 Mr Clayton will be training as a Reading Recovery Teacher and will work closely with the junior teachers here at Norsewood & Districts' School. However, this does mean he will not be working as a classroom teacher.

This is a fantastic opportunity for Mr Clayton to upskill and develop in an area he is extremely passionate about. The BoT are in full support of Mr Clayton's decision to follow his passions further. We are very excited to see this new area of expertise be passed on to our students. He certainly will be on a Great Learning Adventure.

We wish to acknowledge the loyalty and the hard work Mr Clayton has given in providing the best opportunities to our tamariki during the past 3 years.

We are sure Mr Clayton will be more than happy to speak with you and answer any questions you may have.

We are committed in finding a strong, experienced and committed senior teacher for 2020 and in doing so, we have given the role responsibility units to attract high calibre of candidates. We will update you through the process.

If you have any queries, please do not hesitate to contact me by phone, email on [principal@norsewood.school.nz](mailto:principal@norsewood.school.nz) or in person, which is always a pleasure.

Yours sincerely

Mrs Nikkie Christie  
Principal
