Dear Parents /Caregivers

We have school speeches on August the 19th. It would be helpful if you are able to spend some time helping your child prepare their speech. The speeches this year are informative. If you child would like help finding information please write a note in their homework notebook and I will do my best. The children will have a maximum time to speak of 1 minute. It is helpful to start the speech with a question to engage the audience. This can be followed by the facts or information about the topic or animal Then a conclusion that has some personal thoughts or feelings about the topic.

### Class Trip

On Tuesday the 6th of August I would like to go to Hermansen Contracting in Norsewood. This is to follow up an interest of a number of students in Redet. The trip will be dependent on having adequate transport. We will leave as soon as we can after the morning bell at 8.50. a.m. and will be returning before Morning Tea at 11.00 a.m. To provide transport you much have a fully registered, warranted vehicle and you must be a fully licensed driver with insurance.

Please indicate below on the permission slip if you are able to help.

Kind Regards

Mrs Jocelyn Knight  
Teacher
