

On-behalf of the School Support Group, I would like to thank Ange, the teachers and staff of the school for a wonderful year.

It has been a very challenging year in many ways, but the Ange and the teachers have done a fantastic job to ensure our children can still continue on a fantastic learning journey.

The SSG have had a very good year of fundraising which has meant we can support the school and ensure the kids have the recourses and experiences they need and so deserve.

The Hunting Competition was a great success and with the funds we were able to purchase chrome books for the senior class. We will aim to run the hunting comp each year and will be our main fundraiser.

A huge thank-you to all our wonderful parents for supporting all our fundraising events and raffles, our kids really benefit from this and your support is essential for our fundraising to be successful.

The cattle scheme we are running is also going really well and is another big fundraiser for the school, if you wish to raise a cattle beast for the school or know someone who would interested then please get in touch with Michelle Brown or Margaret at the office. A big thank-you to all the farmers who are involved in this scheme, we are very grateful for your on-going support.

We are always looking for new members to join the SSG, we are an essential part of the school to ensure the kids are getting the extra recourses and experiences that the ministry doesn't fund.

If you are interested in joining us then contact one of our members or talk to Margaret at the office, we would ideally like 2 more members for next year to help with all the great work we do.

Lastly, we have farewell, Sarena Montgomery will be departing the SSG this year with her last child off to college. Sarena has been an essential part of our group, her knowledge and leadership has been the reason we have been so successful in our fundraising effort and we will very much miss you. I want to give a huge thank-you to Sarena on behalf of the SSG and wish you and your family all the best on your next chapter.

I hope you all have a safe and happy holidays and look forward to a very exciting 2022, we have lots in the pipe-line and we look forward to supporting Ange and the teachers

as best we can, thanks 😊

Penelope Drysdale
