Renee Haye (5)	Charlotte Heald^(There) (3)	Sarena Montgomery (5)	Thank you, for your support, the students would not get this opportunity without the support of all of you. We have 45 students travelling to Rakautatahi Marae in cars. This gives us a average ratio of 1:3. We will have some parents joining us for the day and some parents joining us for the evening. At the times the ratio will be less than 1:3 Please make sure you carry out regular head counts for your students.
